Names are given for identification only and do not necessarily refer to the source.

Remember that some variation is inherent in any naturally occurring product and continued supply cannot be guaranteed.

All measurements given are nominal, for descriptive purposes only, and for paving include the normal joints.

All weights shown are for handling purposes only and are entirely nominal. No products are sold by weight.

Our bulk sacks contain a minimum of 850kg Nett.

Any shortages or damages must be reported within three days of supply.

Products are normally immediately available from stock, but please check availability before arranging your own transport

Only goods vehicles capable of side loading by forklift truck can be accepted into our yard

Relevant notice is required for splitting packs and a charge will be made for cancelled orders

This price list is designed to be read in conjunction with the 2011 Stonemarket Brochure which contains important additional information about all Stonemarket products.

All products details are indicative and subject to change, for further information please refer to the product guide or brochure.

PRICES FOR FULL LOADS PLACED IN A SINGLE ORDER

The full load price is available as part of a full load order of any Stonemarket products.
